

We meet at the La Jolla Shores Hotel—La Jolla Room Volume 30, Number 5 July 29, 2010

Since 1945, the San Diego County’s Food and Beverage Association has provided services, resources and representation to empower its members to be successful! Coming from a long family line of restaurateurs, CEO Steve Zolezzi will discuss this trade association that represents over 500 restaurants, bars and clubs in San Diego County. Get ready for a quiz on food safety, and bring your questions about wine.
